

TOP SECRET

Official Diary

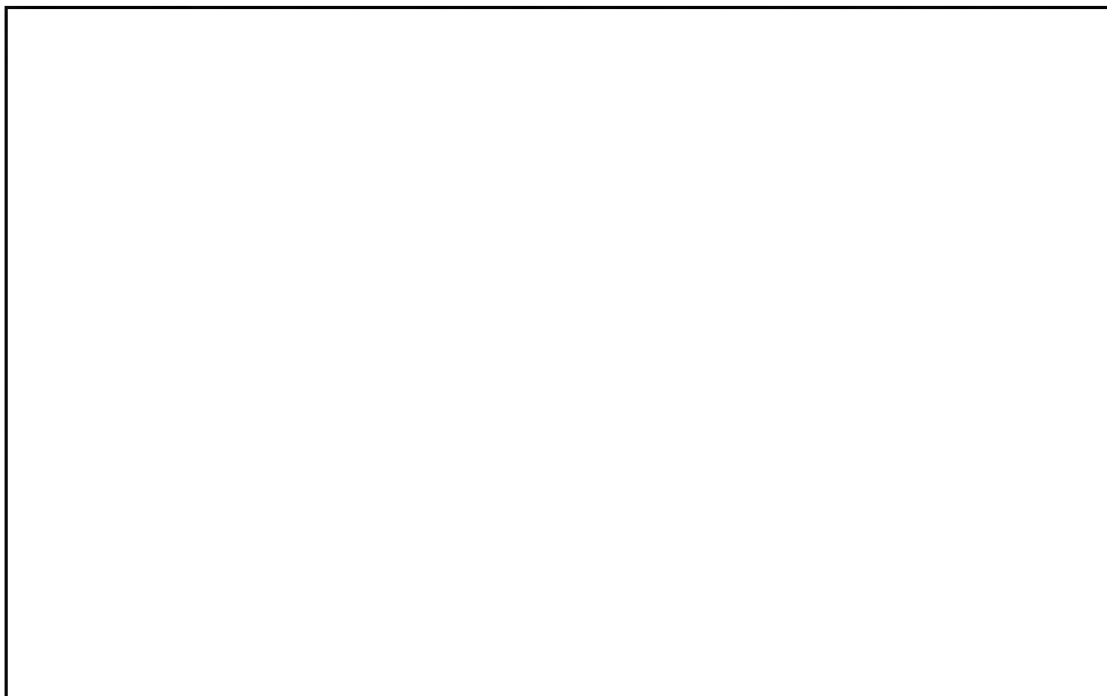

Thursday, 6 September 1951

25X1

Confirmed with [] that the DCI had approved a survey by AD/IC covering exchange of intelligence and intelligence information with foreign nations. Advised [] of the DCI's direction that no arrangements for such exchange be made other than under guidance of the Office of the DCI.

25X1

25X1

Discussed with [] of O/CI the paper being prepared by the ADHOC Committee of SECDEF of USCIB and expressed the view that I would support the original minority report of the Committee as against the compromise draft prepared by Packard of State, unless very substantial changes were made in Packard's paper to bring it more into line with the minority report. Collins undertook to take this position in Committee.
